The Banner Information System is a database of student records and information. The system is divided into the modules: Admissions, Registration, Billing /Accounts Receivable, Financial Aid, and Graduate Student Data. It is a secure interactive web application allowing students, faculty and staff to view information that pertains to their role and relationship with SPU.

The Banner Info System is a resource that allows students to register for courses, manage personal information and much more. To access the Banner Info system, go to: spu.edu/banweb and log in with your SPU Username and Password.
