

Change Your Password

If you know your current password and would like to change the password, follow the steps below. Note that changing the password associated with an SPU username will affect multiple resources, such as Banner, Canvas, Webmail, the SPU Download Center, and other resources available to the account.

Please be aware that changing your password may have an effect on any other device or instance you are currently logged into. Please see [this page](#) for details

Step-by-step guide

1. Go to www.spu.edu/banweb
2. Select **Personal Menu**
3. Choose **Computer Accounts Menu**
4. Select **Change Your Password**
5. Fill in the fields to reset your password

[Password Policies and Guidelines](#) provides some helpful assistance to create and maintain a strong password.

Do not re-use the same password for multiple accounts.
