

Secure Travel, Financial Wellness Program, and Healthy Rewards

Secure Travel

- Available for employees with basic or additional accident insurance (AD&D)
- Dependents (spouse/children) are only eligible if they have additional voluntary accident insurance (AD&D).
- Additional voluntary AD&D insurance is purchased together with additional voluntary life insurance.
- Coverages are through SPU's Cigna policy with additional voluntary life insurance generally subject to a medical questionnaire (Evidence of Insurability) and approval of the insurance company.
- Dependents may only receive additional voluntary life with AD&D if the employee has also purchased additional voluntary life with AD&D for as much or more coverage as dependent(s).

Please see the [brochure](#) for more details.

My Secure Advantage (MSA)

As part of your Life, Accident, Disability, Accidental Injury, Critical Illness and /or Hospital Care plan, Cigna provides access to a full-service financial wellness program, called "My Secure Advantage" (MSA). The program is available to employees and members of their household, and beneficiaries receiving payments under Life and Accident policies as part of the Cignassurance® program. The program includes 30-days of "money coaching," identity theft resolution and protection services, and tools and resources for preparing wills and other important legal documents. MSA's financial wellness services are targeted to individuals in all income brackets and with all manner of financial issues.

NOTE: Cigna is not tied to any investment products and their Money Coaches are salaried and prohibited from selling any products or services. They do not sell DVDs, CDs, downloads, books, or anything else.

Please see the [brochure](#) for more details.

Healthy Rewards

Cigna's Healthy Rewards program can help with discounts on a wide variety of health and wellness programs and services, which include:

- Weight management and nutrition
- Fitness club memberships
- Vision and hearing care
- Complementary and alternative medicine
- Health and wellness products

Please see the [brochure](#) for more details.
