

Institutional Policy

Seattle Pacific University policies exist to maintain, secure, and ensure legal and appropriate use of the University resources. The Institutional Policies wiki provides a centralized location for all members of the campus community to find and view policy that govern the institution and their interaction with it.

Regulatory Compliance

The [HECA Compliance Matrix](#) lists key federal laws and regulations governing colleges and universities. It includes a brief summary of each law, applicable reporting deadlines, and links to additional resources. Viewers can sort by topic area or by date to plan for upcoming reporting requirements. The [HECA Compliance Matrix](#) does not include state level regulations that may impact institutions.

If you are unable to find a policy you are looking for here, please contact the [Office of Risk Management](#).
