

Office of the Registrar Values

PEOPLE:

- Collaborating with deans, chairs, and academic support staff to maintain the academic operations of SPU
- Guiding and empowering students to reach their educational goals through access to tools and resources

PROCESS:

- Constantly evaluating and refining processes to ensure students are treated fairly and equitably
- Offering business process improvement and ease of access through technology (new features, upgrades, etc.)
- Providing timely and effective communication regarding academic processes and policies
- Training the campus community on the effective use of Banner and other student resources

DATA

- Consulting with decision makers about student data
- Creating accurate and usable student data for reporting and records
- Maintaining accurate academic records
- Producing and maintaining trustworthy sources of information

RELATIONSHIPS

- Living into our Christian character
- Investing in the professional development and morale of our OTR staff
- Support our colleagues across campus
